**5. Scope of application, general provisions**

5.1. These Special Terms and Conditions of Participation (hereinafter referred to as BTB) apply to all orders placed by the exhibitor at the time of stand registration. This includes both the services in the course of stand registration in package bookings or individually booked services.

5.2. The BTB of Messe Karlsruhe apply exclusively to all services booked at the time of stand registration.

5.3. Deviating, conflicting or supplementary General Terms and Conditions of the exhibitor shall only become part of the contract if and insofar as Messe Karlsruhe has expressly agreed to their validity in text form. This requirement of consent shall apply in all cases, for example even if the services are provided to the exhibitor without reservation in the knowledge of the exhibitor's General Terms and Conditions.

5.4. Individual agreements made with the Client in individual cases (including collateral agreements, supplements and amendments) shall take precedence over these BTB. Subject to proof to the contrary, the content of such agreements shall be governed by a written contract or confirmation from Messe Karlsruhe in text form.

5.5. The statutory provisions shall apply unless they are directly amended or expressly excluded in these BTB.

5.6. Messe Karlsruhe reserves the right to amend these BTB in the event of a change in the legal situation, supreme court rulings, market conditions or for the further development and expansion of the product range. The exhibitor will be informed of the changes in text form at least two weeks before they come into effect. The amended BTB shall be deemed approved if the exhibitor does not object in text form within two weeks of notification of the amendments. If the exhibitor objects to the changes, the underlying contract shall be cancelled. Services already booked with other service providers remain unaffected by this.

**6. Registration and admission**

6.1 The exhibitor registers either by returning the legally-binding signed registration form, the individually created legally-binding signed stand offer or via the online stand-registration system. Upon return of the signed registration form or alternatively the signed order form, the exhibitor will receive a copy for his records. Insofar as all conditions for acceptance have been fulfilled, the exhibitor will receive written confirmation of acceptance from the trade fair / exhibition management.

6.2 If registration is made via the online stand-registration system by registering or logging into the online stand-registration system or via an

individual link provided by the trade fair ('one click order'), the exhibitor will automatically receive a confirmation of registration by e-mail via the online stand-registration system. The exhibitor will receive his admission document from the project team a few days later. The exhibitor does not have a legally binding document until he receives this admission.

a) The presentation of the services in the online stand-registration system, "Exhibitor Registration NUFAM 2027" does not constitute an offer, but only an invitation to submit offers.

b) By clicking the "Complete registration" button, the Exhibitor submits a binding offer to order the services of Messe Karlsruhe that they have selected (application). Before sending the application, the Exhibitor can change and view the data at any time. However, the application can only be submitted and sent if the Exhibitor has clicked the button "I have read and accept the General Terms and Conditions, the Special Conditions of Participation, the Technical Guidelines, the House Rules, the Privacy Policy and the General Terms and Conditions for Services OSA." This confirms that these terms and conditions have been accepted by the Exhibitor and thus included in their application.

6.3 The contract is concluded on the basis of an individual offer made by Messe Karlsruhe, subject to acceptance of the General Participation Guidelines for Trade Fairs and Exhibitions of IDFA Members, the Special Conditions of Participation, the Technical Guidelines, the House Rules and the Data Protection Declaration, upon acceptance of the offer by the exhibitor in text form or in writing.

6.4. If only an acknowledgement of receipt is sent, this shall not constitute acceptance of the application. The contract shall not be concluded until the application has been expressly accepted by the Exhibitor receiving a stand confirmation or otherwise expressly is accepted in text form (e.g. by order confirmation) / by e-mail.

6.5. The contract is concluded between the Exhibitor and Messe Karlsruhe.

6.6. The trade fair/exhibition management will endeavour to comply with the Exhibitor's wishes in the choice of stand position and stand form but reserves the right – in consultation with the Exhibitor – to make changes due to planning constraints. There is no entitlement to a specific pitch.

6.7 **Closing date:** 21 May 2027

6.8 Registrations received after the closing date: the size of the stand and the stand form can only be accepted subject to reservation until the stand confirmation. Placement requests are fulfilled in accordance with the project management. If particular wishes cannot be fulfilled this is no reason for rescission of the contract.

6.8 **Registrations received after the registration** deadline can only be accepted with reservation in terms of size and stand type until the stand is confirmed. The fulfilment of placement requests is at the discretion of the project management. If individual requests cannot be fulfilled, this does not constitute a right of withdrawal.

**7. Withdrawal / Cancellation**

7.1. Once admission has been granted, withdrawal from the contract by the Exhibitor shall not be possible outside the statutory provisions and the following regulations. If the Exhibitor cancels their participation after this time or declares their withdrawal or termination of the contract, they must pay the participation fee for the entire booked stand area and the ancillary costs incurred by the organiser up to this time.

7.2. To avert danger and/or for technical or safety-related reasons, the trade fair/exhibition management may prohibit or not permit an exhibit or demonstration planned by the Exhibitor, even at short notice. The discretionary decision of the trade fair/exhibition management here is binding. In this case, the Exhibitor is not permitted to withdraw from the contract and is responsible for redesigning or repurposing their stand space in consultation with the trade fair/exhibition management. Non-approved goods may be removed by Karlsruher Messe und Kongress GmbH at the Exhibitor's expense without further warning.

7.3. The following cancellation fees apply to services **in the indoor exhibition area:**

a) If notice of withdrawal or cancellation is received between four weeks and **eight days before the official start of assembly, 50% of the agreed net price** for stand construction/services shall be payable.

b) If notice of withdrawal or cancellation is received **up to seven days before the official start of assembly, 100% of the agreed net price** for stand construction/services shall be payable.

7.4. The following cancellation fees apply to services **in the outdoor exhibition area**:

a) If notice of withdrawal or cancellation is received between four weeks and **15 days before the official start of assembly, 50% of the agreed net price** for stand construction/services shall be payable.

b) If notice of withdrawal or cancellation is received **up to 14 days before the official start of assembly, 100% of the agreed net price** for stand construction/services shall be payable.

7.5. Individualized services, such as tailored walls, graphics, etc., are excluded from cancellation.

7.6. The Exhibitor has the right to prove that Messe Karlsruhe has not incurred damages in the amount of the costs specified in items 7.1 to 7.5

7.7 Messe Karlsruhe is not obligated to accept a contract with a substitute participant with a substitute participant proposed by the exhibitor.

7.8 In the event of changes to stand space (relocation of stand space, changes to stand dimensions and/or stand space restrictions) as well as minor changes and/or alterations such as the duration of the trade fair, trade fair opening hours or set-up and dismantling times by Messe Karlsruhe, the exhibitor shall not be entitled to withdraw from the contract.

### 8. Admission requirements

Exhibitors may be manufacturers as well as those companies authorised by a manufacturing plant to exhibit their products. Exhibitors may also be companies or organisations that enrich the trade fair's portfolio. All exhibits must be precisely designated in the application and correspond to the offer ranges according to the product group index. Items other than those registered and approved may not be exhibited. The trade fair/exhibition management shall make all decisions regarding admission. The trade fair/exhibition management must be notified in text form and approve any changes made by the Exhibitor after approval has already been granted. In addition, the trade fair/exhibition management shall be entitled to revoke admission if the prerequisites for admission are not or no longer met. If the Exhibitor deviates from the information provided in the application without the written approval of the trade fair/exhibition management, the trade fair/exhibition management may exclude the Exhibitor from participating in the trade fair, even at short notice and without observing any deadlines. This cannot provide the basis for claims for damages by the Exhibitor against the organiser.

For details of outfit and design of the stand packages please refer to pages 2 and 4-7 in the application form.

**Please note:** If the exhibitor orders a basic or comfort package, he cannot claim offset or reimbursement for any stand construction material that is not required. Both packages can only be ordered through registration on the registration form. Once registration has taken place, stand construction can only be ordered via the Online Service Center (OSC).

### 11. Force majeure, pandemic-related restrictions

11.1 Force majeure is an external event which has a very serious impact on the contractual relationship. It is unforeseeable based on human judgement and experience and cannot be prevented or rendered harmless by economically viable means, even when the greatest reasonable degree of care has been taken. In the case of "force majeure", in particular, Messe Karlsruhe shall be entitled to postpone, shorten, lengthen or restrict the event in whole or in part, or temporarily or permanently close the event. In such a case, the Exhibitor shall have no claim for compensation against Messe Karlsruhe. Services already provided can be settled against Messe Karlsruhe, provided that these costs have already been covered by corresponding income or can be asserted and enforced against the Exhibitor in accordance with legal regulations and contractual agreements.

A partial or complete impossibility to deliver the contractually agreed services by Messe Karlsruhe shall also be deemed equivalent to a case of force majeure, including for reasons that, insofar as they would have been foreseeable, are outside the parties' influence, in particular the following:

- a) The interruption or significant restriction of an adequate supply of electricity, gas, water or internet, insofar as this is not only of a short duration
- b) The occurrence and further development of pandemics according to the German Infection Protection Act (*Infektionsschutzgesetz*, IfSG)
- c) As a result of official/governmental orders or regulations.

11.2 In the case of the event being postponed for any other reason by up to one year, the contractual relationship between the parties shall remain unchanged unless the Exhibitor or Messe Karlsruhe declares in text form to the other party, within 14 days of notification of the postponement, that adherence to the contract is unreasonable. The grounds for this being considered unreasonable must be explained in full. The evaluation standard is based on Section 313 (1) of the German Civil Code (*Bürgerliches Gesetzbuch*, BGB). If the other contracting party does not subsequently object in text form within seven days, the explanation of the circumstances which make this unreasonable shall be deemed to have been accepted.

### 12. Regulations for rental items

12.1 All the booked items are rental items that shall remain the property of the respective service partner or of Karlsruhe Trade Fair Centre, unless otherwise indicated on the item or group of items. Special rules shall apply to custom-made items.

12.2 The rental items shall only be provided for the agreed purpose and for the duration of the rental period. The Client shall not be entitled to sublet the rental items. The rental items shall be delivered to the Client's exhibition stand, unless otherwise agreed.

12.3 In exceptional cases, Karlsruhe Trade Fair Centre shall be entitled to replace the ordered goods with equivalent or higher-value goods for the price of the originally ordered goods.

12.4 The dimensions given in the OSC and the contract are approximate dimensions.

12.5 If there are no staff present at the exhibition stand at the time of delivery, the service shall be deemed to have been properly provided or performed when the service is provided or the rental items set down at the exhibition stand. Neither Karlsruhe Trade Fair Centre nor its service partners shall be obligated to check the identity of the persons present at the stand when the service is provided or the rental items delivered.

12.6 Normal signs of wear and tear on the rental items shall not constitute defects. The Client is aware that the rental items are used multiple times and are not always in mint condition.

12.7 The Client may only use the rental items at the agreed locations. They are obligated to keep the rental items in their direct possession.

12.8 The Client shall reimburse Karlsruhe Trade Fair Centre and/or its service partner for the inspection of the rental items.

12.9 The Client is obligated to handle the rental items with care. They must follow the recommendations for maintenance, care and use.

12.10 If the rental items are not returned or made available for collection on time, contrary to (9) of this section or other agreements, Karlsruhe Trade Fair Centre shall be entitled to claim a fee corresponding to the agreed rent from the Client as compensation for the period for which the items are withheld. This shall not affect further claims for compensation.

### 13. Non-availability of the service; dependence on delivery by sub-suppliers

13.1 Karlsruhe Trade Fair Centre shall be entitled to withdraw, in full or in part, from the contract with the Client if

- Karlsruhe Trade Fair Centre has not been not supplied, or not supplied on time, by a supplier with whom it has concluded a contract for the purpose of fulfilling its obligation to the Client and
- Karlsruhe Trade Fair Centre is not responsible for the supplier's failure to deliver or their failure to deliver on time.

The same shall apply if such a contract between Karlsruhe Trade Fair Centre and its supplier does not come into effect because the supplier is unable to deliver the goods and Karlsruhe Trade Fair Centre is not responsible for this.

13.2 If a case justifying a withdrawal in accordance with 13.1 of this section arises, Karlsruhe Trade Fair Centre shall inform the Client of the non-availability without delay. In the event of the withdrawal, Karlsruhe Trade Fair Centre shall reimburse the Client for a consideration that has already been paid.

### 14. Services

14.1 The scope of services shall be based on the respective agreements made. Karlsruhe Trade Fair Centre reserves the right to make minor changes in terms of the dimensions, shape and colour, provided that this is acceptable to the Client.

14.2 Otherwise, deviations shall only be permissible if they are mutually agreed by the parties in text form. Karlsruhe Trade Fair Centre is not obligated to check the information provided by the Client for completeness and accuracy.

### 15. Co-exhibitors and additionally represented companies

Inclusion of a co-exhibitor/represented company requires prior written indication on the registration, specifying complete address details including contacts (see form 3). A registration fee incl. marketing fee of € 549.00 + VAT is payable for each co-exhibitor. Each represented company is subject to a registration fee of € 379.00 + VAT.

### 16. Two-level stands

Two-level stands are subject not only to the stand rental but also to another 50% for the upper level.

### 17. Stand space

Minimum stand space shall be of 12 sqm. Smaller stand space can only be leased if this has been arranged with the trade fair/exhibition management and if such space results from the layout planning. Any structural columns that are located within the stand space shall form part of the stand. The final rental invoice shall be based on the dimensional survey taken by the trade fair/exhibition management. Each

square metre or part thereof shall be charged in full, and the stand space shall generally be calculated as a rectangle, irrespective of installations, minor deviations, etc.

### 18. Stand Construction Permit

Drawings and structural descriptions must be submitted for approval for single-storey stands in the indoor exhibition area that measure over 3.5 metres in height, provided that the design and construction of the stand are compliant with the Technical Guidelines.

### 19. Complaints regarding stand construction services

Complaints must be registered immediately (without undue delay) by the applicant on site at the Service Center of Messe Karlsruhe.

### 20. Design, fittings and furnishings

It is a requirement that each stand area must have constructionally defined borders separating it from neighbouring stands. If you do not have your own stand construction system or if you do not book such a system via Messe Karlsruhe, then stand separation partitions (back and side-panels) are mandatory. Such stand separation partitions are subject to a fee which is not included in the stand rental. Please note that floorcovering is mandatory for all stands. Should you require stand separation partitions, please refer to the Online Service Center (OSC). If you do not order stand separation partitions but your stand space is surrounded by partitions of your neighbours or by existing partitions, then you will be charged for those partitions on the terms specified in the Online Service Center (OSC). Approx. 5 cm shall be deducted from the width of an allocated stand, unless you have specifically requested clear width on account of standard stand construction. For safety reasons, stand separation partitions in basic stand construction are secured by support partitions which may only be removed by the organiser's contracting company upon securing the structural stability of the separation partitions. The exhibitor is liable for any damage resulting from failure to ensure the renewed structural stability of stand separation partitions after the dismantling of his stand. The exhibitor shall submit drawings and sketches of the intended stand construction. To set up his own marquees, pavilions or roofed-over facilities on outdoor premises, the exhibitor requires permission which shall be dependent on the prior submission of a draft plan. Any decoration material used by the exhibitor shall be flame-retardant and must comply with all other police regulations. Any damage to partitions and flooring and any modifications to the rented stand space by the exhibitor, his staff or his agents shall be the exhibitor's liability. Any compensation claims resulting from such damage shall be billed separately. The exhibitor shall notify the trade fair / exhibition management of any contracted design companies unless those are companies which the exhibitor runs himself. The interior finish of the halls shall not be modified by exhibitors. Pillars, wall projections, fire extinguishers, partitions, distribution boxes and other technical facilities form part of the allocated stand space.

### 21. Assembly and dismantling

The exhibitor shall receive the access details for the Online Service Center (OSC) in good time and undertakes to note the content of the same. **If a company's stand is still unoccupied 12 hours prior to the beginning of the event or if there is no indication that the exhibitor will arrive at a later stage, then his space shall be given side and back panels at the expense of the exhibitor, upon instruction of the trade fair / exhibition management, and the entire stand shall be either decorated with a view to creating a good overall impression or the space shall be given to other customers.**

In such a case stand rental shall be payable in full. The Messe Karlsruhe shall under no circumstances be held liable for damage caused by the exhibitor's delay in submitting orders (incorrect obligatory entry in the exhibitors' directory, incomplete electric power lines during assembly, etc.). If the exhibitor dismantles his stand before the end of the exhibition, then the trade fair / exhibition management shall be entitled to charge a contractual penalty of € 500.00 + VAT.

### 22. Exhibitors' badges

Exhibitor passes will be made available for download through the Online-Service-Center (OSC). Exhibitor passes are available for digital distribution to trade fair personnel in the Online Service Center (OSC).

2 exhibitors' badges will be issued free of charge for stands of up to 10 sqm, and 1 free of charge for each further 10 sqm, up to a maximum of 10 exhibitors' badges. Further badges can be issued subject to a charge. Please refer to the relevant forms in the Online Service Center (OSC).

### 23. Exhibitors' directory

The organiser publishes an official exhibition medium. The obligatory entry comprises basic details (company name, address, e-mail/web address, hall, stand no.) in the alphabetical directory, in the product directory (company name, hall, stand no.) and on the website. Where applicable, the exhibitor may also be mentioned via social media channels. This can only be provided if registration has been received on time. Further entries are possible against payment of fees. Please refer to the Online Service Center (OSC).

When the exhibitor submits or uploads texts and images, the exhibitor is responsible for the copyright permissibility of their use in the exhibition medium. It is solely the responsibility of the exhibitor to obtain from the holder of the authorship rights the permission which is necessary for the reproduction of images and texts in the exhibition medium. If the organizer should be sued, especially by the holder of the authorship rights or by the holder's representative, for violation of copyright caused by the organizer's use of images and texts which the exhibitor submitted and/or uploaded, then the exhibitor shall be liable for the resulting damages and shall indemnify the organizer with regard to these claims from the third party. The exhibitor shall pay any licensing, utilization or authorship fees (e.g. to VG Bild Kunst or to the artist or to the author of the submitted and/or uploaded texts) incurred by the reproduction of texts and images in the exhibition medium.

### 24. Property rights and third-party rights in connection with the use of texts / images and sound recordings

24.1 The exhibitor is responsible for the legal admissibility of the use of all texts, images and sound recordings that s/he may submit / upload / create, including, in particular, third-party property rights such as copyrights and trademark rights, as well as personal rights and data protection requirements.

24.2 The exhibitor is solely responsible for obtaining the consent of a rights holder or data subject which may be necessary for the collection, processing or reproduction of image and sound recordings.

24.3 If the organiser is exposed to claims from third parties, in particular from the owners of copyrights and market rights as well as personal rights / personal data or their representatives due to an infringement of rights resulting from the collection, processing or use of texts, images and sound recordings created / submitted / uploaded or otherwise used by the exhibitor, the exhibitor shall be liable for any damage caused to the organiser as a result, and will indemnify the organiser against these claims vis-a-vis the third party, reimburse the organiser for all costs of legal defence, and compensate the organiser for any further damages caused as a result of the claim.

24.4 Rights within the meaning of this provision are also those rights whose management has been transferred to collecting societies. Any licence fees, usage fees and/or copyright fees arising from the reproduction of texts, images or sound recordings (e.g. owing to VG Bild Kunst or the artist or author of the submitted / uploaded texts) shall be paid by the exhibitor.

### 25. Exhibitors may not make their own sound recordings, image/sound recordings, image recordings or other recordings and broadcasts of the event of any kind (radio, TV, internet, loudspeakers, etc.).

25.1 Audio recordings, image/audio recordings, image recordings and other recordings and broadcasts of the event of any kind (radio, TV, internet, loudspeakers, etc.) require the consent of the copyright holders and holders of ancillary copyrights involved, as well as other holders of property rights and personal rights, and also the consent of Messe Karlsruhe in text form. Messe Karlsruhe is entitled to make its consent to this dependent on the agreement of a fee to be paid to it.

25.2 If the exhibitor commissions Messe Karlsruhe or a service provider of Messe Karlsruhe to produce sound, sound and image or image recordings, the commission must be made in writing or in text form in accordance with the following conditions a) to f).

25.3 If Messe Karlsruhe gives its consent or if Messe Karlsruhe is commissioned and the exhibitor is thereby granted the right to use and exploit the recordings comprehensively, including for commercial purposes, this shall be subject to the following conditions:

#### a) Granting of rights

aa) The rights granted to the exhibitor are limited in terms of space and time to the above-mentioned scope and expressly include all mentioned/known and unknown types of use, including the right to reproduce the recordings (in whole or in part, permanently or temporarily, using any technical means, as well as by any means and in any form), to distribute, exhibit, publicly reproduce, in particular to show, broadcast, reproduce via image, image and sound and/or sound carriers, and to make publicly accessible, in particular via the Internet, in such a way that members of the public have access at locations of their choice and at a time individually chosen by them, regardless of the medium used for transmission.

bb) In return for the granting of rights, the exhibitor permits Messe Karlsruhe to use the recordings made by him for the purpose of self-promotion; the following obligations of the exhibitor apply mutatis mutandis to the use of the recordings made by him by Messe Karlsruhe.

#### b) Obligations of the exhibitor

The exhibitor guarantees

aa) to obtain effective consent in advance from all persons recorded and to be the owner of any transferable rights of third parties or to be in a position to effectively grant the aforementioned rights or to have them effectively granted. If Messe Karlsruhe is permitted to use the recordings, the consent must also cover their use by Messe Karlsruhe for its own advertising purposes.

bb) that the recordings covered by the contract are free of third-party rights that could conflict with the granting of rights under the contract.

cc) that the use of the recordings does not infringe any personal rights, copyrights, moral rights, trademark rights or other property rights.

dd) that, in the course of the rights granted, the statutory data protection provisions are complied with and that any necessary agreements on order processing or joint responsibility with third parties have been concluded independently or will be concluded in advance.

#### c) Indemnity declaration, extended obligations of the exhibitor

aa) The exhibitor shall indemnify Messe Karlsruhe against all claims by third parties that may arise from the granting of rights within the meaning of this agreement, in particular claims arising from industrial property rights, trademark, copyright and personal rights infringements, claims arising from violations of data protection regulations that may be brought against Messe Karlsruhe in connection with the exercise of third-party rights, upon first request.

bb) The exhibitor shall immediately notify Messe Karlsruhe of any infringements of third-party rights that come to its attention. The indemnification also includes reimbursement of the costs incurred or to be incurred by Messe Karlsruhe in connection with legal proceedings/defence.

cc) The exhibitor is not entitled to produce and use recordings in which ideas that are unconstitutional or illegal are presented or disseminated.

dd) By signing this agreement, the exhibitor acknowledges that they will not tolerate any racist, anti-Semitic, Islamist, anti-democratic, unconstitutional or illegal content. This means in particular that the recordings and their use shall not, either as a performance or in word or writing, disparage human freedom and dignity, nor shall symbols that represent or are associated with anti-constitutional or unconstitutional organisations be used or disseminated.

This also means that the exhibitor actively intervene against violations under paragraphs b) and c) during the recordings,

- exclude participants from the recordings who violate the principles set out in paragraphs b) and c),
  - interrupt the recordings in the event of a continuing violation of paragraphs b) and c), and
  - terminate the recordings in the event of continuing violations.
  - not use or publish the corresponding image and audio material.
- ee) If, in the context of the production and use of images, image and audio recordings or audio recordings permitted by Messe Karlsruhe, violations occur in accordance with clause 3 that constitute a criminal offence, in particular in accordance with Sections 86, 86a, 90, 90 a-c, 130, 185, 186, 187 and 188 of the German Criminal Code (StGB) or Section 20 (1) No. 5 of the German Association Act (VereinsG), and if the exhibitor has been warned in writing by Messe Karlsruhe to cease and desist, Messe Karlsruhe shall be entitled to take appropriate measures to prevent further violations. 130, 185, 186, 187 and 188 of the German Criminal Code (StGB) or Section 20 (1) No. 5 of the German Association Act (VereinsG), and if the exhibitor violates its contractual obligations under paragraphs b) and c), it shall pay Messe Karlsruhe a contractual penalty of up to €50,000 for each case of infringement, to be determined by Messe Karlsruhe at its reasonable discretion and, in the event of a dispute, subject to judicial review.

f) Notes

aa) The exhibitor is aware that any filming permits required for filming on the fairgrounds and outside the exhibition grounds must be applied for by the contracting party from the City of Karlsruhe. For recordings outside the exhibition grounds, any necessary filming permits must be applied for by the contracting party from the City of Karlsruhe or the City of Rheinstetten or obtained from the respective property owners.

bb) The exhibitor is aware that this consent does not include permission for flights and recordings with drones. A separate permit must be obtained for this.

**26. Animals**

Animals are not permitted at the event. Guide or assistance dogs are permitted where required for medical reasons. Proof of the need for such guide/assistance dog must be presented upon request. Special exceptions apply to animal-related events.

**27. Sale/Distribution**

The sale/distribution of goods and services is only permitted insofar as this is specified in the permit and insofar as the sales/distribution activities take place in the rented stand area. Legal requirements, particularly those pertaining to price labelling, shall be adhered to by the exhibitor. Exhibitors themselves shall be exclusively responsible for procuring and complying with the required official permits (such as permits relating to trade control and sanitary measures). Violations shall, following a warning, entitle Messe Karlsruhe to shut down the stand with immediate effect and to exclude the offender(s) from taking part in the event and possibly also follow-up events. Unaffected by this, the exhibitor shall remain liable for the full participation price and shall not be entitled to compensation in this connection.

**28. Photography**

The trade fair / exhibition management is entitled to authorise staff to make drawings, video recordings and photographs of trade fair stands and exhibits and to use the resulting material for its advertising purposes (see House Rules, § 6).

The exhibitor shall waive all objections arising from his rights of ownership and rights of use. Other persons require express written permission from the trade fair / exhibition management for recordings of any kind.

**29. AUMA fee**

Net fees of € 0.60 per square metre +VAT for indoor space and outdoor space are levied for the Association of the German Trade Fair Industry (AUMA). This amount shall be invoiced along with the stand rental. AUMA upholds the manifold interests of German industry in matters of exhibitions and trade fairs.

**30. Technical facilities**
